

Dear Fellow Woman of Initiative,

As one of a group of the most influential and philanthropic women, I am asking you to join me in an urgent call to action to help our fellow women who are calling out in need but have no voice.

Can you imagine being a senior woman in your 70's or 80's, homeless, and dealing with the reality of isolation, day-to-day living with financial hardship? I am asking you to join me in being a lifeline for these women.

Our ***Women Lifting Women*** campaign, launched at our Women of Initiative luncheon, will address issues faced by senior women, young women and girls, and support this work in perpetuity as outlined in the enclosed brochure.

To celebrate the launch of our campaign, investors who gift a *minimum of \$5,000* will be recognized as a member of the ***Women Lifting Women Founders Circle***.

Please make an investment today by returning the enclosed envelope or donate online at wf.collier.org. No gift is too large or too small. Together, as a powerful and compassionate group of women, we can make that difference for those who need our help and turn our compassion into action.

With sincere gratitude,

Elizabeth Star
Honorary Chair - ***Women Lifting Women***
